HOTEL

ANGEL REAL ESTATE

Thailand is the world's top tourism destination. Many hotels and resorts have welcomed a lot of visitors from every part of the world. Along with the growing of country's tourism, Thailand's hotel industry have been developing rapidly in the last decades. International hotel chains and local developers are scaling business up in Bangkok, Chiang Mai, Pattaya and Phuket.

Having a strong business connection with many local and foreign investors, Angel Real Estate can facilitate our partners as an investment matchmaker to introduce 3 to 5 stars profitable hotels. Our experienced talent will support clients' requirements with a professional expertise.

ANGEL REAL ESTATE

INDUSTRIAL Land & Factories

INDUSTRIAL LAND

ANGEL REAL ESTATE

Angel Real Estate provides a full-service for industrial and Factories acquisition, mini-factory warehouse and logistic, Also we do provide after-sell service such as setting-up company and accommodation and etc

As the industrial development trend has shift rapidly, Thailand's government had announced the "Eastern Eco- nomic Corridor (EEC)" campaign under scheme of Thailand 4.0 aiming to revitalize and to enhance the well-known Eastern Seaboard Development Program supporting Thailand as a powerhouse for industrial pro- duction for over 30 years. The project situated in EEC area shall be supported and subsidized in total pipeline of production with assorted benefits of logistic, transportation.
